Hi Ann,

Here are the draft qs and as. Any issues you think are missing?

I'm looking these over, and then I'll send them to OGC.

Hi Ron and Keara,

Attached is the most up-to-date version of the main Q&As for Nancy Stoner's hearing. It is also located on the g:share

G:\DWPD\PREVENTION BRANCH\UNDERGROUND INJ CONTROL PRG\Hydraulic Fracturing\Briefings (2010-12)\May 31 2012 House Committee on Oversight and Government Reform\Q&A and Updates\Draft Q&As

The questions in blue text are new questions from the Senate and House staff briefings that Ann gave and our own thoughts. The non-blue questions are from last fall's hearings, the internal Q&A for the

guidance, and the OGC Q&As on primacy.

We are waiting on

EPA program offices on their authorities over HF/program updates  
Regional investigation updates (Dimock, PAvillion, Range)  
OGC litigation updates and a few other questions  
OECA review of the state primacy and enforcement Q&As

Thank you
